

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

A. Eligibility Determination and Documentation

The review of certification, eligibility and coordination of services involves the process of determining and documenting participant eligibility (income eligibility as well as nutritional risk determination, standards and criteria), and the coordination of certification activities with other health services.

A. Eligibility Determination and Documentation - 246.4(a)(6); (10); (11)(i) and (19): describe the policies and procedures for determining and documenting eligibility including the application process, residency requirements, identity requirements, documented physical presence or valid exception; proof of categorical eligibility, income limits, income eligibility documentation, determination of special populations and a definition of and policy toward the economic unit.

B. Nutrition Risk Determination, Documentation, and Priority Assignment - 246.4(a)(11)(i): describe the policies and procedures for determining and documenting nutritional risk and priority assignments. Include a copy of the nutritional risk criteria the State agency plans to use with the appropriate documentation.

C. Health Care Agreements, Referrals, and Coordination - 246.4(a)(6); (7); (8) and (19): describe the procedures for coordinating agreements and services with other health care providers at the State and local agency level including procedures to ensure that benefits are provided to persons with special needs.

D. Processing Standards - 246.4(a)(11)(i): describe the State agency's processing procedures to ensure that the required standards and timelines are met.

E. Certification Periods - 246.4(a)(11)(i): describe the policies and procedures used to establish certification periods for participants and the autonomy (if applicable) granted to local agencies in determining eligibility time periods.

F. Transfer of Certification - 246.4(a)(6) and (11)(i): describe the State agency's procedures for the transfer of certification and VOC cards ensuring that vital participant and program information is included.

G. Dual Participation, Participant Rights and Responsibilities, Fair Hearing Procedures, and Sanction System - 246.4(a)(11)(i); (15); (16) and (17): describe the procedures used to detect and prevent dual participation at the State and local level, the procedures for ensuring participants are notified of their rights and responsibilities, and the procedures regarding participant fair hearings and sanction system.

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

A. Eligibility Determination and Documentation

d. The State agency requires proof of identity from each applicant at certification

- ☒ Yes
☐ No (If not, why not?)

e. The State agency requires physical presence of the applicant or a valid exception to be documented:

- ☒ Yes except for the following condition(s):
- ☒ applicant or parent/caretaker is an individual with disabilities which prevent him/her from being physically present at the WIC clinic (e.g., medical equipment, bed-rest, or serious illness exacerbated by coming in to clinic).
 - ☒ applicant is an infant or child receiving documented ongoing health care from any health care provider, including the local agency; being physically present would pose an unreasonable barrier; and the infant or child was present at his/her initial WIC certification.
 - ☒ applicant is an infant under 8 weeks of age who cannot be present at the time of certification (for a reason determined appropriate by the local agency) and for whom all necessary certification information is provided.
 - ☒ applicant is an infant or child who was present at his/her initial certification; was present at certification within the one-year period of the most recent determination; and is under the care of one parent and that parent works, or is under the care of two parents and both work; and that working status presents a barrier to bringing the infant or child in to the WIC clinic.

f. The State agency uses temporary (30-day) certifications for individuals who do not present necessary proof of residency and/or identity at the time of application.

- ☒ Yes ☐ No

3. The State agency requires applicants to submit proof of categorical eligibility for (check all that apply):

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

A. Eligibility Determination and Documentation

- d. Individuals are required to document that they or a family member are certified as eligible to receive TANF, Medicaid, or Food Stamp benefits or, under the State option, certified as eligible to receive benefits in State-administered programs by providing:**

- ☒ program ID card or notice of eligibility
- ☐ documentation of participation in State-administered programs (and such programs require documentation of income and have income guidelines at or below WIC's income guideline of 185% of poverty). (Program[s]:)

ADDITIONAL DETAIL: Certification and Eligibility Appendix and/or Procedure Manual (citation):

5. Income Eligibility Documentation

- a. For WIC applicants whose income eligibility is not based on adjunctive or automatic income eligibility in another means-tested program, the State requires (check all that apply):**

- ☒ Documentation of income information
- ☒ Signed statement that documentation of income information is not available and why
- ☒ Notation in the casefile if the applicant declares no income
- ☐ other (specify):

- b. Exceptions to income documentation are made for the following:**

- ☒ The necessary information is not available
- ☒ The income documentation presents an unreasonable barrier to participation as determined by the State agency
- ☒ Those applicants with no income
- ☒ Those applicants who work for cash
- ☐ other (specify):

- c. If the applicant does not supply income documentation at the certification appointment, and has at least one qualifying nutrition risk, local agencies are generally instructed to do the following:**

- ☐ Certification process is terminated and no food instruments are provided; appointment rescheduled
- ☒ Temporary certification (not to exceed 30 days) is completed and food instruments are provided. However, if applicant does not provide documentation within 30 days, applicant is determined ineligible.

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

A. Eligibility Determination and Documentation

10. Mid-Certification Disqualification

- a. The State agency ensures that local agencies are required to stipulate that an individual is not automatically disqualified mid-certification due to the fact that she/he no longer participates in one or more of the Programs for which they were originally determined adjunctively/automatically income eligible.**

☒

Yes

☐

No

- b. WIC regulations specify that when income eligibility is reassessed mid-certification, State/local agencies are required to reevaluate the programs for which the individual could be determined adjunctively/automatically income eligible. If the individual cannot qualify based on eligibility for one of these programs, eligibility must be determined based on WIC income guidelines and disqualification made only after all of these options are exhausted. The State ensures its policy and procedures comply with this requirement:**

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

B. Nutrition Risk Determination, Documentation and Priority Assignment

e. Hematological risk determination:

The State agency requires (check one of the following):

- ☐ Bloodwork data to be collected at the time of certification (Statewide).
☒ Bloodwork data to be collected within 90 days of certification, so long as the participant is determined to have at least one qualifying nutritional risk at the time of certification (Statewide), and the State has implemented procedures to ensure receipt of data.

The State agency ensures that hematological assessment data are current and reflective of participant status, to include a bloodwork periodicity schedule that conforms to the requirements as described in 246.7(e)(1)(ii)(B).

- ☒ Yes ☐ No

The State agency allows local agencies the option of obtaining bloodwork on children ages 2-5 annually if prior certification results were normal.

- ☒ Yes ☐ No

f. Anthropometric risk determination:

The State agency allows (check one):

- ☒ anthropometric data for certification to be no older than 60 days (Statewide)
☐ a shorter (less than 60 days) limit on age of anthropometric data for certification

g. Dietary risk assessment:

Note: It is unadvisable for State agencies to implement major changes to their diet assessment protocols until FNS issues Value Enhanced Nutrition Assessment (VENA) Policy and Guidance

VIII. CERTIFICATION, ELIGIBILITY & COORDINATION OF SERVICES

B. Nutrition Risk Determination, Documentation and Priority Assignment

- (i) **Local agencies are required at a minimum to assess and document dietary intake for:**

- ☒ all participants
- ☐ only those participants who do not have a medical risk factor
- ☐ only those participants at risk for inadequate diet or other dietary risk
- ☐ only specific participant categories
(specify which categories):
- ☐ other (specify):

- (ii) **The State agency policy requires that dietary intake information be collected through (check all that apply):**
